Description:

The most beloved stories in Scripture are brought to life in this interactive I Can Read the Bible! series with a DVD learning program created just for children. As each story is read, the words are highlighted so a child can easily follow along. The DVD brings the story alive through narration and animation, and an interactive learning center features a music video, dictionary, Bible quotes, and games. The Lord sent a huge fish to swallow Jonah. He was in the belly of the fish for three nights. Written in simple words children can understand, Jonah and the Whale teaches an important lesson about responsibility. Ages 3-8.

Love the DVD. Has story, song and interactive questions and application. Just right for stated age group. Have bought other titles as well.
